Building a strong J requires investment.

For a century, the Jewish Community Center of Greater Kansas City has inspired community to be the one place that belongs to everyone, anywhere on Main Street.

Jewish and communal life is strengthened and nurtured through physical, educational, cultural and spiritual programming. Jewish identity is preserved through our Children Development Center, Day Camps, After School program and our annual film festival, art exhibits and discussion series.

The values of compassion and inclusiveness are actuated through our special needs offerings, and respect for the elderly is celebrated through the work of the Heritage Center at the J.

There are many ways to support the Jewish Community Center and we are grateful for all contributions. We remind you of the support from our friends, families and corporate partners to keep our organization strong and vibrant so that we may continue to offer the programs and services that make a difference in the lives of those in our community.
